WHAT'S NEW 2018

A Tailored Approach To Lounge Areas

The award winning Tailor Lounge Series continues to expand with a Booth design! Offered in Mid or High Back, two and three seat models can be configured back-to-back or wall adjacent making the opportunities to tailor your space endless.

SQUARE AND RECTANGLE METAL BASE TABLES

GIVE TAILOR THE EDGE

Complementing the expanding Tailor series are Square and Rectangle Metal Base tables that sit flush with Tailor's two- and three-seat Booth designs. Tops are available in an endless range of laminates and veneers with 2mm or hardwood edge options. The square column and base can be specified in 76 Spectone colors!

Tailor End Tables

Come Full Circle

Half Round end table options put Tailor Lounge configurations ahead of the curve. These rounded tables are available in a range of laminates for a perfectly coordinated look.

Tailor Benches

Support The Sidelines

Along with new Booth options, Tailor Lounge Series now includes Benches that integrate seamlessly with the rest of the Tailor seating and table line-up. These versatile Benches make a striking impression while keeping the needs of hard-use applications at the forefront.

Hardi – A Holistic Solution

Designed as a single-piece of rotationally molded polyethylene, Hardi launched last year to rave reviews for its worry-free support in Behavioral Health and hard use applications. Hardi now welcomes four new solutions, to ensure design continuity and breadth of line! With no moving parts, no protruding legs and extreme durability, the complete Series helps put patients and caregivers at ease.

Hardi Rocker – Motion with Sturdy Support

Hardi Rocker transforms Hardi's signature one-piece design into a comfortable and supportive option. Ideal for patients to self-soothe, the Rocker was designed with patient and caregiver safety in mind.

HARDI STOOL SITS ON STAND-BY

Hardi Stool is the fitting addition to situations where needs change frequently. It can be weighted up to 88 lbs and specified with an optional floor mount.

Factory Table

Gets to Work

Factory Table brings the option of mobility to collaborative areas. To support dynamic group tasks, Factory can be specified in a choice of sitting and standing heights, a range of widths and lengths, and with veneer, laminate or 2" solid wood tops. The industrial locking caster is standard in grey.
