CALVIN

## A Stylish Selection for Your Next Public Space

Sleek and sophisticated, Calvin's streamlined design is complemented by its slim oval frame, creating an attractive silhouette that makes a statement in any public seating area.

Calvin is available in a countless assortment of designs, including one, two and three seats, Bariatric, freestanding or connected, with or without tables. The choice of wood or polyurethane arms combined with wood or aluminum side rails adds the finishing touches to suit any style.

14-gauge steel oval frame

Freestanding tables

Wood arm available in nine standard stains. Custom stain-to-match available at no upcharge.

Polyurethane arm available in three colors (see below). All arms are replaceable in the field.

Aluminum or wood side rails.

Separate seat and back provide exceptional comfort and ease of maintenance.

Wall-saving frame protects walls and chair fabric.

### Make It Your Own

With three polyurethane arm colors (Taupe, Sterling Grey and Black), nine standard wood stains (custom stains at no upcharge), 76 frame colors and a virtually limitless choice of fabrics, Calvin freshens up any public seating area.

### Metal Finishes

Frames can be finished in 76 Spectone colors from our line of powder epoxy coatings, including five textured finishes.
