

# Make It Your Own

It's easy to find the right product for your child-friendly space with various furniture designs and nearly limitless finish options.

### Crayon

### Bean

### Snowflake

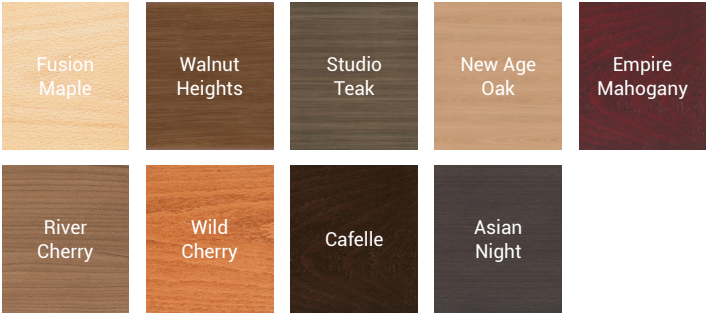

### Hardi Children's

### Wood Finishes

For Snowflake's wood back, choose from nine standard wood stains, or stain-to-match for no extra charge.

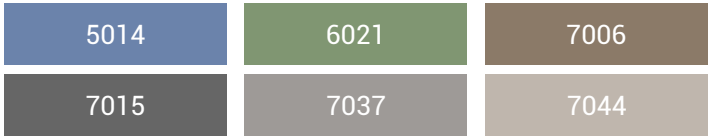

### Wood Back Designs

Wood backs are available with a snowflake, star, moon or sun cut-out for no extra charge. Custom cutouts and engravings are available.

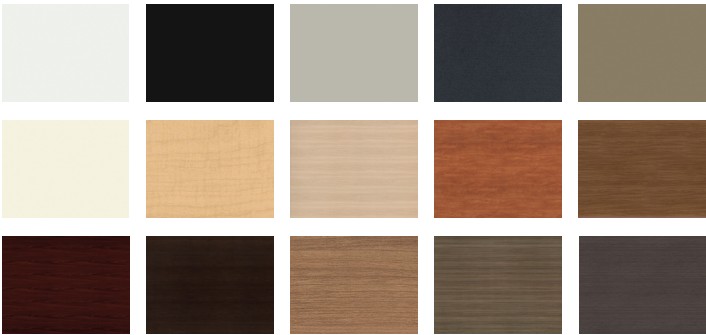

### Hardi Finishes

Create a welcoming environment with Hardi by choosing from six earthy colors that match our Spectone RAL offering.

### Laminates

Select from our 15 standard laminates, or choose from any standard Wilsonart, Nevamar, Formica, Arborite, or Pionite laminates for no extra charge.

### Metal Finishes

Frames can be finished in 76 Spectone colors from our line of powder epoxy coatings, including five textured finishes.

# CHILDREN'S FURNITURE

Playful, Safe and Durable

# It's a Small World

Creating a fun, safe kids’ environment is child’s play, thanks to our imaginative line of children’s furniture. Snowflake, Bean, Crayon, and Hardi offer a range of solutions for any area where little ones gather. With dozens of finishes to choose from and weight ratings from 250 lbs and up, our collection is your playground!

Discover a child’s creative side—Bean’s backless design encourages sensory play. Seats are standard at 12" high; tables are standard at 21" high.

Snowflake chairs feature three back designs—and they’re stackable. Seats are standard at 15" high; tables are standard at 22" high.

Crayon’s bubbly look speaks to playful kids’ areas. Seats are standard at 14" high; tables are standard at 22" high.

Hardi Children’s is a one-piece plastic chair with softer lines. Designed for healthcare first, the chair is built to last. Seats are standard at 15" high.
