

The image shows a modern office interior with a large window overlooking a city skyline. Several teal-colored tables on wheels are arranged in the room, each surrounded by black office chairs. The room has a concrete floor, exposed ceiling pipes, and modern lighting fixtures. A staircase is visible on the right side of the frame.

FACTORY

Collaboration Made Easy

Factory Table Gets to Work

Factory Table brings the option of mobility to collaborative areas. To support dynamic group tasks, Factory can be specified with glides or industrial locking casters; in a choice of sitting, bar and standing heights; and in a range of widths and lengths. Veneer and laminate tops can be specified as a 2" built-up self or 2mm edge. Optional 1 3/4" thick solid wood tops are also available.

42" high table is shown with optional footrest.
