SUPPORTING
HEALING SOLUTIONS

Exclusively Designed for Healthcare

At Spec™, we understand that taking a holistic approach to design interiors is paramount to patient recovery.

Designed and built especially for healthcare spaces that share this vision, our furniture provides long-term value to the buyer and is made to support patients from the moment they walk in.

Waiting & Registration

Create a vibrant and welcoming space for patients and their loved ones as they enter your facility. Use warm colors and eye-catching shapes to build exciting layouts, all while knowing that the furniture will provide lasting durability. Details as lumbar support, intuitive arm design and power module integration all make the experience that much more comfortable.

Cafeterias

A place for a quick bite, a moment to unwind and reflect, or a chance to plug in and catch up on work: cafeterias are increasingly associated with health, light, and comfort. As a leader in healthcare furnishings, Spec's solutions also provide durability, easy maintenance and limitless design possibilities.

Patient Rooms

It is all about wellbeing: comfort, ergonomics, soothing motions, material choices and finishes. Spec's solutions foster environments that feel like home, which are vital to the healing process.

Consult Rooms

A healthy environment includes furniture solutions that support the patient's health and the medical staff's work responsibilities while one-on-one conversations take center stage.

Conference & Training

Ensure that patient health is at the forefront of care. Support the practice and improvement of patient wellbeing by enabling effective staff learning experiences.

Staff Rooms

Our caregivers are heroes. Support their selflessness and dedication by creating spaces that help them recharge or catch up with colleagues.

Corridors

Seating creates places to connect with each other or find moments of quiet retreat. With thoughtful design, Spec furnishes peaceful settings as well as functional, convenient spots where colleagues can convene.
