

WHAT'S NEW 2014

spec

## URBAN

Uptown or downtown, Urban's contemporary design and durability lends itself to any environment. Choose from a DuraSpec poly seat and plastic back, an upholstered seat and plastic back or a fully upholstered

design. Wood back also available! Urban is standard in 18.5" seat width and supports up to 500 lbs. From education to corporate offices to healthcare, Urban is the talk of the town.

Plastic back and back panel in three colors. DuraSpec poly seat standard in Black.

## ENDZONE

EndZone, our contemporary collaborative table, features a top with a 2" built-up edge and a 39" table height. Specify with one of two end panel designs, and choose from a wide range of sizes, finishes and a full line of power and data solutions.

Whether it's a study session with a peer or a meeting with a colleague, EndZone meets your needs.

## EIGHTEEN5

Our Twenty2 chair is expanding to new widths! With an 18.5" wide seat, Eighteen5 allows you to achieve design continuity in your training and educational environments.

Available with a plastic seat and back, an upholstered seat and plastic back or a fully upholstered design. As with Twenty2, Eighteen5 supports up to 500 lbs.

Tailgate Bullet Top and Manhattan Double Column Base with Rectangular Vertical Wire Manager

## Covering All Your Bases

Introducing a Rectangular column to the Manhattan and Tailgate table series. The Rectangular column provides a sleek linear alternative to the traditional round column.

Need power? The Rectangular Vertical Wire Manager can now be added to a Manhattan Base to route power from the floor to the desktop.
