

Covid-19 Update

Spec™ remains operational and has been designated as an essential service in the new Ontario Stay at Home order, effective April 9, 2021.

Health & Safety

We are fully committed to the health and safety of our employees, our customers, and our supply chain. We are actively following the guidelines set forth by Health Canada and Toronto Public Health and adapting our operations as recommended to ensure a safe and productive environment for our employees.

Operations

Spec's factory and shipping and receiving departments remain operational.

Delays in shipments and extended lead times may occur, as circumstances affecting our operations continue to change rapidly. We will work closely with our customers to navigate any potential delays and reduce business disruptions.

Our distribution center is working closely with all regions and monitoring our ability to conduct deliveries in many areas. We are doing our best to make you aware of potential delays due to supply chain interruptions and/or requirements for temporary storage of shipments.

Customer Support

Our Customer Service Team is available to respond to your needs by email and telephone. Our response time may be affected as many are supporting customers remotely.
specit@specfurniture.com 1-888-761-7732

Your local Spec Sales Representative is available by email or telephone to support you.
specfurniture.com/about-us/locate

Our Marketing Team is available to assist you with product samples and literature support.

Visitor Policy

The Spec showrooms in Chicago and Toronto continue to be closed for visitors. We look forward to hosting you in our showroom when it is safe to do so.

Spec will continue to provide updates as required.

Latest Update: April 23, 2021
