VA IDIQ Lookbook for Contract Furniture

**SUPPORTING HEALING SOLUTIONS**

# Furnishing spaces that promote healing.

## Exclusively Designed for VA IDIQ Specifiers

At Spec™, we understand that taking a holistic approach to design interiors is paramount to patient recovery. Designed and built especially for healthcare spaces that share this vision, our furniture provides long-term value to the buyer and is made to support patients from the moment they walk in.

Your local Spec Sales Representative is available to help guide and support your specification process. Please note that all orders are to be placed through approved VA IDIQ dealers.

This lookbook features a selection of Spec products in various healthcare environments. For full product offering, including the interactive VA IDIQ Price List, visit [specfurniture.com/resources/contracts](https://specfurniture.com/resources/contracts) and click on the **VA IDIQ** tab.

Contact us at [IDIQ@specfurniture.com](mailto:IDIQ@specfurniture.com) with any questions.

Email [quotes@specfurniture.com](mailto:quotes@specfurniture.com) to get a quote and please reference "VA IDIQ Contract".

Your local Spec Sales Rep is available to help guide and support your specification process. **Find your Rep here.**

# Imagine the possibilities.

## Join Us on a Tour

Let us take you on a photo tour of a modern healthcare environment—from the lobby entrance to the staff areas—to see how Spec supports healing spaces.

## Lobbies

Create a vibrant and welcoming space for patients and their loved ones as they enter your facility. Use warm colors and eye-catching shapes to build exciting layouts, all while knowing that the furniture will provide lasting durability. Details as lumbar support, intuitive arm design and power module integration all make the experience that much more comfortable.

## Waiting & Registration Rooms

From moments of happiness to periods of uncertainty, waiting rooms have seen it all. For both patients and loved ones, warm and welcoming waiting spaces are imperative. Furnish these spaces with proven designs that work for your visitors.

## Corridors

Seating creates places to connect with each other or find moments of quiet retreat. With thoughtful design, Spec furnishes peaceful settings as well as functional, convenient spots where colleagues can convene.

**Midway Highback** PC1, PC3

## Patient Rooms

It is all about wellbeing: comfort, ergonomics, soothing motions, material choices and finishes. Spec's solutions foster environments that feel like home, which are vital to the healing process.

## Consult Rooms

A healthy environment includes furniture solutions that support the patient's health and the medical staff's work responsibilities while one-on-one conversations take center stage.

**Urban** GC1, GC2, CC4, ST3

Consult Rooms | 29

## Cafeterias

A place for a quick bite, a moment to unwind and reflect, or a chance to plug in and catch up on work: cafeterias are increasingly associated with health, light, and comfort. As a leader in healthcare furnishings, Spec's solutions also provide durability, easy maintenance and limitless design possibilities.

**Manhattan X & T Bases** TT1, TT2, DT1;  
**Urban** GC1, GC2, CC4, ST3; **EndZone** CT1, CT2

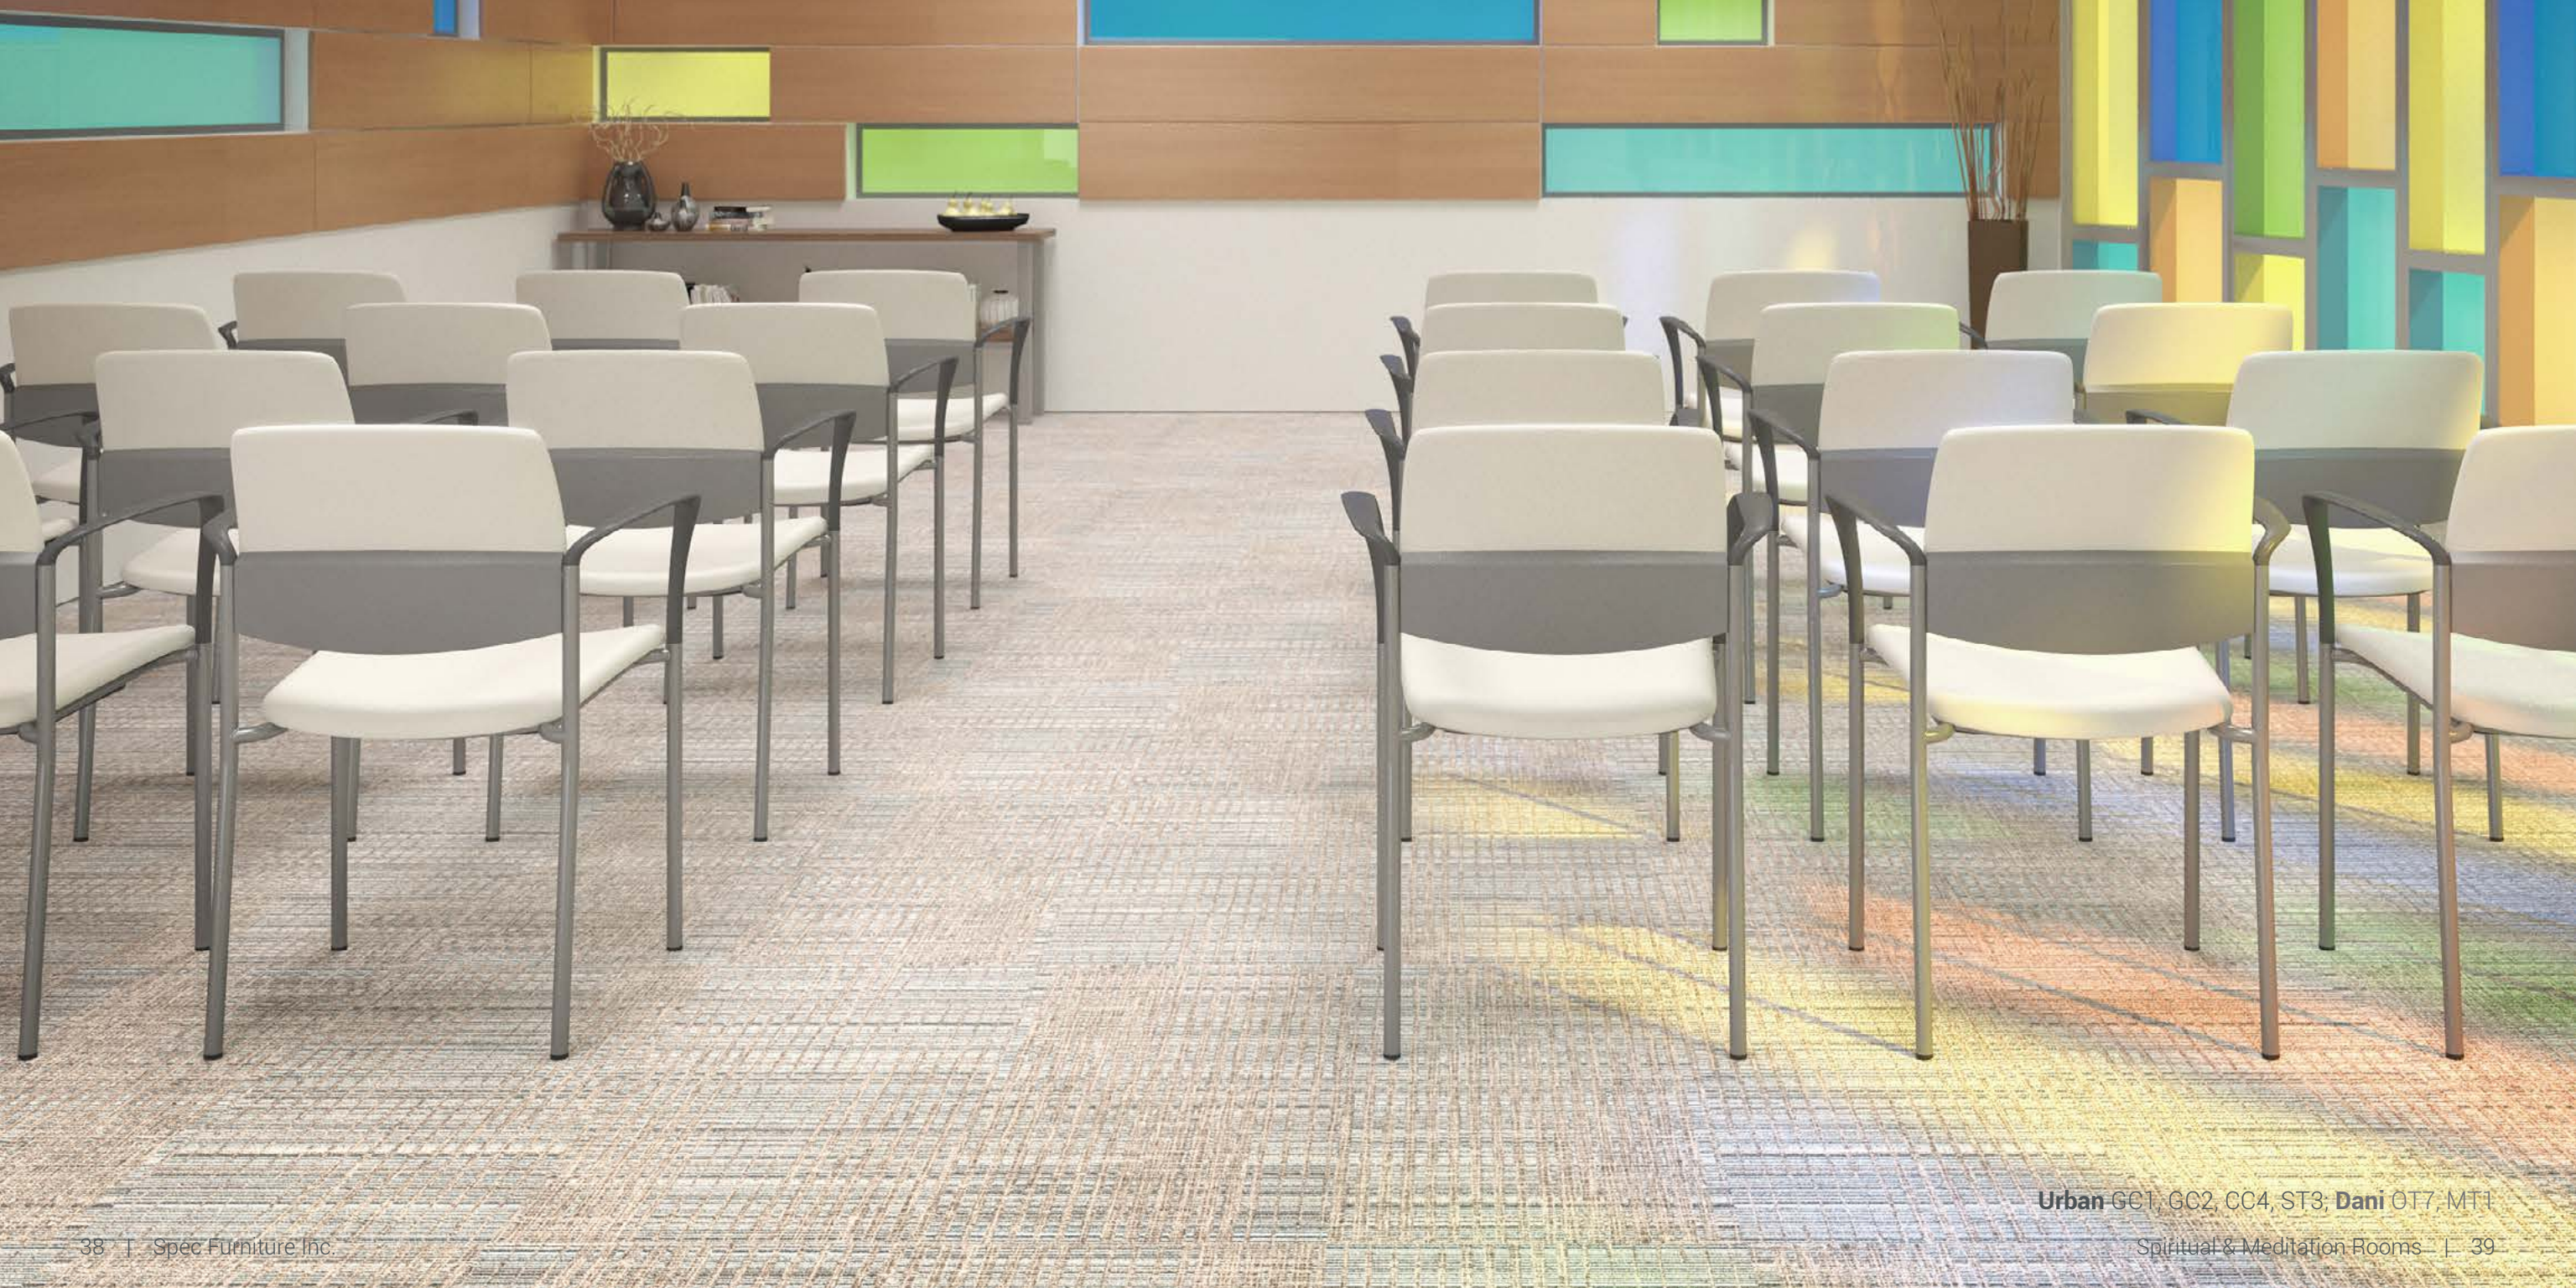

## Spiritual & Meditation Rooms

Creating a recovery-focused space involves providing patients with the tools they need to rebuild their health. Rooms that host meditation, time for prayer and personal reflection are essential to the healing process.

**Cooper Dwight** WSG1, WSG2, PC1, PC3

Spiritual & Meditation Rooms | 37

## Child-Friendly Spaces

We care about the little ones too. Specify a safe and happy place where children can play during visits to the healthcare facility.

**Snowflake 2** CD1; **Calvin** WSG1, WSG3, PC1, PC3

## Staff Rooms

Our caregivers are heroes. Support their selflessness and dedication by creating spaces that help them recharge or catch up with colleagues.

Tailor WSG1, WSG2; Tailor Tables MT1, MT2, OT1, OT2, OT3; Factory CT1, CT2; Urban GC1, GC2, CC4, ST3

## Conference & Training Rooms

Ensure that patient health is at the forefront of care. Support the practice and improvement of patient well-being by enabling effective staff learning experiences.

# Safety Occupational Health Patient Safety

By the end of this lesson you will be able to explain/identify  
OHS Standards  
OHS Legislation
