2000 SERIES

Dependable Design

2000 series is a mid-point solution that blends hard use with comfort—perfect for healthcare environments and institutional applications.

The series is offered with or without separate seat and back, in one-, two- and three-seat designs. Bariatric available with separate seat and back only.

The simplicity of 2000 Series makes it easy to specify and creates a clean, relaxing environment.

Separate seat and back. Features zipper-removable seat covers.

One-piece seat and back.

Bariatric available with separate seat and back only, and supports 750 lbs.
