EndZone 2” traditional End Panel is available with or without Rectangular Vertical Wire Managers and Power Modules.

**EndZone with Self Edge, Vertical Wire Manager and 2” End Panel; Urban Stools and Chairs**
Flexible, friendly and smart: *Bud* is confident on its own and works well with others, making it easy to fit in anywhere.

*Bud* offers easily adaptable seating options for lounge areas, available in round, square or crescent shapes, as well as in limitless fabric and vinyl upholstery options. Pair them to create fun configurations or use them alone as accessory seating.

**Complementary Seating with Bud**

Available with two, three or four seats, *EndZone Benches* can be specified with or without cushions. For increased productivity, power outlets can be specified on the end panels. For a striking design detail, add a colored laminate to the support beam or inside of the end panels.
Strategize in Style with Boardgames

Enjoy thoughtful design and complete flexibility for boardrooms, meeting rooms and video conferencing spaces with Boardgames.

Our extensive selection of top shapes, sizes, edges and finishes—not to mention base shapes and trim profiles—gives you virtually limitless options.

Boardgames Bases are standard with a removable door and a cutout for wire pass-through.

Boardgames Bases can also be specified with wood trim.

Boardgames Bases are offered in six different base shapes with trim profiles available in aluminum or wood.

The Plinth Base is offered in Rectangle, Square or Round and comes standard with 2” Kickplate in Satin Brushed Natural Aluminum, Wilsonart 6257-416.

PRODUCT FINISHES
Top & Bases: Custom Zebra veneer stained to match, Wilsonart 7949K-18
Trim: Silver
Make a Power Play with Tailgate

Harness the power of collaboration with Tailgate. Designed around a unique central power and communication trough, this series of tables makes interaction and data sharing easier than ever.

With three base designs and endless finish options, Tailgate fits seamlessly into any collaborative environment.

Manhattan Is Perfect for Collaborating

Manhattan standing height tables are available in a variety of shapes, sizes and finishes. When powering up, wires are concealed by feeding them through the table legs. Footrings allow users to stand comfortably when collaborating.

Manhattan standing height tables can be specified as either freestanding or wall-adjacent.

Footrings come standard in chrome finish.
The Perfect Match

Complement your collaborative area with accessories that add both storage space and style.

Spec has a broad range of credenzas, lecterns and hospitality carts to help create a custom collaborative environment that’s flexible, functional and fashionable.

Choose from a wide variety of Power Modules that can be customized to meet your needs.

Lecterns and hospitality carts are available in laminate or veneer. Custom logos can be specified on the front of the Boardgames lectern.

PRODUCT FINISHES

(Left and bottom) Custom Zebra Veneer stained to match. Arborite W433-RM.
(Middle) Custom Zebra Veneer stained to match. Arborite W433-RM. Top: Corian Lava Rock.
