Find the Right Fit

The perfect seating solution is waiting—all four Cooper designs are available as one, two or three seats, Bariatric, freestanding or connected, with or without tables and with a virtually limitless selection of fabrics and wood stains.

Metal-to-Metal Connection
The wood frame is mechanically fastened to a welded substructure to create additional strength and durability.
Solutions for **Every Space**

Create a solution as unique as your space with a broad range of choices including rockers, Bariatric, Highback Patient Chairs and freestanding or connected tables—from the waiting room to the patient room, Cooper has you covered.
Cooper Rocks

Huntsville and Midland medium and highback designs are available with a rocking motion. Highback rockers are available with or without the built-in headrest.

On the Bench

Bala and Dwight benches are available with one, two and three seats. They can be made freestanding or connected—easy to combine in any layout. Bench legs match the design of the chair frames. A Bariatric bench is available for Bala.
