TAILOR
Experience Simplicity
Tailor Your Space

Inspired by the aesthetic and comfort of residential furniture, the Tailor collection is engineered and manufactured to achieve the resilience needed for spaces buzzing with activity. This seating series is well suited for everything from high-end corporate lobbies and collaborative office spaces to healthcare-focused lounges and waiting areas.

Create stunning environments with Tailor Freestanding designs or connect any number of versatile Tailor Modular configurations to meet a specific seating need. All products in the Tailor series are made to last—with weight load capacities starting at 500 lbs. The collection is complete with Tailor Booth and Bench designs, providing you with additional seating options for a diverse and welcoming environment.

Three-Seater Upholstery: Momentum, Faux Felt, Berry; Frame: Silver.
Freestanding Single Seat Upholstery: Momentum, Faux Felt, Stone; Frame: Silver.
Modular Single Seat Upholstery: Momentum, Faux Felt, Lagoon; Frame: Silver.
Highback Booth Upholstery: Momentum, Silica, Petunia; Frame: Silver.
Table Top: Wilsonart, Landmark Wood; Frame: Silver.

Freestanding (Front Cover) Upholstery: Mayer, Variant, Barn Red; Frame: RAL 7012.
Drum Table Wilsonart, Walnut Heights.
A standard wall-saving frame protects walls and chairs from wear and tear.

The separated seat and back make for easy maintenance.

Wood or polyurethane arm caps assist with moving in and out of the chair—and can be specified to increase durability.

An optional 1” gap creates a clean out between the arm and the seat.

Fitting Tables

Square and rectangular occasional tables seamlessly complement one another and are available in open or fully closed designs. A power module can be specified on closed table designs so you can be productive even while you lounge.

Suited by Design

Tailor’s elegant linear frame and standard tapered arms are balanced by a soft, contoured back. The Freestanding models include single, bariatric, and two- or three-seat sofas, ensuring design continuity throughout your space.
Made to Measure

In one simple step, users can link or unlink any two Tailor Modular units, meaning inspiring layouts can be made to fit into every space in a matter of minutes. Connect single, bariatric, two- and three-seat models and tables for configurations tailored to every walk of life!

Separate seats and backs are standard. An optional 1” gap creates a clean out between the arm and the seat, for all-around cleaning access.

A wall-saving frame assists with maintenance.

A tapered end arm is standard at the end of the layout run.

A straight connecting arm is used for seat-to-seat and seat-to-table connections.

Two-Seater and Bench: Seat Upholstery: Maharam, Mode; Machine: Bux; Upholstery: Maharam, Mode; Goldenrod, Frame: Silver
Three-Seater: Upholstery: Maharam, Mode: Intaglio, Frame: Silver
Table: Laminate: Wilsonart, Designer White
Adaptable Design

Built with the needs of fast-paced healthcare environments in mind, Tailor’s adaptable design can fit into sprawling lobbies or spaces with a smaller footprint. Specify wood or polyurethane arm caps for added durability.

Modular Seat Upholstery: Momentum, Beeline, Geyser; Arm and Back Upholstery: Maharam, Limn, Sleek; Frame: Silver; Arm Caps: Custom Zebra Veneer Stained to Match, Wilsonart 7949-K 18.

Tables Laminate: Custom Zebra Veneer Stained to Match, Wilsonart 7449-K 18.

Modular Table Laminate: Wilsonart, Studio Teak.

Tailor makes modification easy! For a seat-to-seat or seat-to-table connection, use the ganging plate provided with each modular unit. The configuration options are endless.
A Creative Solution for Modern Workspaces

The casual atmosphere of a traditional North American diner can enliven your workspace with Spec’s Tailor Booth. Typically used in cafeteria settings, these booth and wall-adjacent seating solutions are increasingly finding their way into modern collaborative spaces. Available in midback or highback models, the latter is recommended for spaces where privacy and reduced background noise are key.

Tailor Booth Tables are available with either square or rectangular metal bases, and they sit flush with Tailor’s two- and three-seat Booth designs. Seat upholstery is sewn together for easier maintenance. Individually sewn seat upholstery is also available upon request.

For a true back-to-back fit, a non-wall-saving frame comes standard.
Support the Sidelines
Tailor Bench integrates seamlessly with the entire Tailor seating and table lineup. Our benches make for comfortable ancillary seating in lounge areas, corporate receptions or hallways.

**Modular Three-Seater and Bench**
- **Upholstery:** Momentum, Faux Mo, Marine; Silica, Silver
- **Frame:** Silver

**Table**
- Top: Wilsonart, Landmark Wood; Silver

Bench Upholstery: Momentum, Silica, Cumulus; Frame: Silver

The standard non-wall-saving frame is appropriate for standalone placements.

Seat upholstery is sewn together to eliminate gaps between seats.
Please see our Behavioral Health brochure for the Tailor Heavy Duty Collection.
# Make It Your Own

Tailor it to your needs—we encourage custom orders! In addition to a complete line of standard products and finishes, we offer the ability to customize tables, seating and more. Can't find what you are looking for? Just ask us!
